Dear Thornbury Builders and Trades Association;

On behalf of Hope Haven Therapeutic Riding Centre, I would like to thank you for the very generous donation you have made to our organization.

Your donation is Making Hope Happen by bringing our vision to life. Our equine and therapeutic programs enrich the lives of our participants, their families and our volunteers in a community of hope and healing. Below you will find a link to our Youtube video which demonstrates the real impact that donations like yours can have on a family.

Once again, thank you for your kindness and generosity.

Sincerely,

Kimberley Black, M.S.W., R.S.W.

Executive Director
